PAPER ROLL CLAMP | GPD-200

Features:

- ▶ Load capacity from 2,300 kg to 3,400 kg
- ▶ Equipped with a movable long arm and a fixed short arm
- ▶ Ideal for handling single rolls
- ▶ Particularly slim and robust arm design
- ▶ 360° continuous rotation in both directions

PAPER ROLL CLAMP | GPD-200

With a fixed short arm and a single-piece long arm

The GDP-200 series roll clamp features a movable long arm and a fixed short arm. Thanks to the long single-piece arm, it is ideal for handling single rolls. The particularly slim and robust arm design facilitates the handling process, increases throughput efficiency, and minimizes the risk of collision damage.

Paper roll clamp 360° rotatable (2 functions)
