CARTON CLAMP | GPE-E

Features:

- ▶ Standard contact plates with rubber coating
- ▶ Slim arms for easy entry in tight spaces
- ▶ Reduced weight, lost load center, and center of gravity
- ▶ Arms are fixed
- ▶ Includes pressure regulation and return valve

CARTON CLAMP | GPE-E

For transporting large-volume loads and cartons, such as white goods

Additional applications arise in combination with various coatings on the inner surfaces of the arms, including in the food industry. The arms are fixed, and the contact surfaces are coated with vulcanized rubber. The extremely slim arm design allows for entry even in very tight spaces.

Features:

- Standard contact plates with rubber coating
- Slim arms for easy entry in tight spaces
- Reduced weight, low load center, and center of gravity
- Arms are fixed
- Includes pressure regulation and return valve

Carton clamp with fixed arms (2 functions, with integrated sideshift)
